RESPONSE

COMMISSIONER FOR PATENTS
Washington, D. C. 20231

Sir:

The following remarks are submitted in response to the Official Action dated December 10, 2001. Reconsideration is respectfully requested.

REMARKS

Claims 4-7 and 11-14 are pending in the application. The claims have not been amended notwithstanding the art rejections manifested in the Office Action.

The rejection of claims 4-7 and 11-14 under 35 USC § 102(b) as being unpatentable (sic) over Hwang et al. (5,710,458, dated 1/20/98) (sic) is noted. The reference's name, date and number do not match. The subsequent language in paragraph 2 of the Office Action and form PTO-892 indicate that the Examiner intended to apply U.S. Patent No. 5,838,062 to Hwang against the pending claims. Applicants will proceed accordingly.
